

Training on Treatment Guidelines and the Preauthorization Process

Phoenix — 5/12/2021

Greetings!

The Medical Resource Office is providing training on the Treatment Guidelines and the Preauthorization Process. This training will provide information and insight on the rules, statutes, and expectations parties must follow to ensure injured workers receive the proper medical treatment. Healthcare providers will benefit from this training by improving their knowledge regarding the application of the Treatment Guidelines and how to properly navigate the preauthorization process and complete the necessary forms in the legally required period of time.

Understanding the Treatment Guidelines assists payers and healthcare providers evaluate and deliver evidence-based treatment in a timely and efficient manner. This training will benefit both new and experienced participants and will cover:

- Applicable Statutes
- Applicable Rules
- Treatment Guidelines
- Preauthorization Process
- Timelines
- Peer Review
- Dispute Processes

The Industrial Commission of Arizona invites you to register for one of our three webinars. The one hour webinars are presented in a format that will allow time for questions at the end.
